CWNA Supports 5 Year Downtown East Action Plan

To: Mayor Tory and all Members of the Toronto City Council

The Church Wellesley Neighbourhood Association fully supports the initiatives in the 5 Year Downtown East Action Plan.

Our community at times struggles to meet the needs of our diverse and vibrant community. To have a comprehensive plan that address a wide scope of needs and unites services would be invaluable.

We in the Church Wellesley neighbourhood have seen the benefits first hand of the 12 Month Action Plan and look forward to the implementation of the 5 Year Action Plan.

The Downtown East Action Plan offers hope to all in our community and can serve as a model for communities across Toronto.

We ask that you approve the 5 Year Downtown East Action Plan.

Regards,

Connie Langille
Chair - CWNA
