----------------------	--	----------------

My name is Eileen Denny and I was involved in the appeal of the Eglinton Connects through my position as an Executive of CORRA and I have direct knowledge of this appeal and the various site specific appeals and the various people involved.

I am not representing "CORRA" but rather I am interested in how this case is now revealing itself in the public forum.

Please provide me with all Notices and decisions related to this appeal.

Respectfully,

Eileen Denny
