### Candidate/Registered Third Party Advertiser Details

Individual Last Name or Single Name		First Name	
Goldy		Faith	
Organization Name (if corporation or trade union)			
Registered for (check box that applies) <input checked="" type="checkbox"/> Mayor <input type="checkbox"/> Councillor <input type="checkbox"/> Third Party Advertiser Ward:			
Set out the reasons for your belief that the candidate or registered third party advertiser has contravened a provision of the Municipal Elections Act, 1996 relating to election campaign finances (attach additional pages if necessary)			
During the campaign Faith Goldy launched a lawsuit against Bell Media. She solicited donations of any amount from anywhere to support this lawsuit in contravention of the Municipal Elections Act. "I'm accepting donations from supporters of democracy WORLDWIDE." She confirms money intended for the lawsuit was collected by her campaign.

Further, Goldy, who is a self-proclaimed "propaganda arm" for the alt-right neo-Nazi movement, supports her political advocacy through ongoing donations from supporters. Given the above we have little confidence that her income in this time period, much of which comes from supporters outside Ontario, was kept separate from campaign donations.			
Goldy accepted payments on her campaign website and to a gmail account. Since the candidate is accepting donations by e-transfer, we believe their personal bank account should also be captured by a compliance audit to determine whether funds intended for their campaign are being used as intended and properly recorded separately from her income at the time.			
I believe on reasonable grounds that the candidate or registered third party noted above has contravened a provision of the Municipal Elections Act, 1996, relating to election campaign finances.
