"URGENT: I'M SUING THE MEDIA", posted, October 5, 2018.**

(0:00) "After illegal abuse of power by a Toronto media outlet, I'm suing. The case is a total winner, but we need cash to get justice.

...

(1:00) We have the proof. We have the legal team. Now all we need is the funding. We are about to hire the top name in the game. We're about to go up against the big guns of Bell Media. So, we wouldn't do it any other way. But that comes with a big retainer price. I need to raise 50 thousand dollars. I know what you're thinking. That's a fortune. And I agree with you.

...

(1:44) So now the question becomes what are you willing to pay to see this crooked media held to account for election engineering. Please donate whatever you can via my website faithgoldy.ca. Or e-transfer to faithgoldy@gmail.com. There is no maybe. CP24 broke the law and I want to make them pay for it. If we pull together even small donations we can make it happen. By the way, CP24 is owned by Bell Media. That's the same company with tight ties to current Toronto mayor John Tory. If there's any collusion here, we will get to the bottom of it. It's about time that we the people make the media pay. And I'm accepting donations from defenders of democracy worldwide. This money is going into my account, not my campaign's, so it's a wide open field for freedom loves who want in on this fight against tyranny and censorship. My name is Faith Goldy and I'm running for Toronto Mayor, and I'm not going anywhere. I'm here to fight for taxpayers and fix our crumbling roads. I care about justice and common sense. I won't back down against the political elites or the crooked media, and neither should you. Please visit www.faitgoldy.ca to donate to our legal defence fund."
