88.19 (1) For the purposes of this Act, costs incurred for goods or services by or under the direction of a person wholly or partly for use in his or her election campaign are expenses. 2016, c. 15, s. 57 (1).

For third party advertisements

(2) For the purposes of this Act, costs incurred by or under the direction of an individual, corporation or trade union for goods or services for use wholly or partly in relation to third party advertisements that appear during an election in a municipality are expenses. 2016, c. 15, s. 57 (2).

Expenses

- (3) Without restricting the generality of subsections (1) and (2), the following amounts are expenses:
1. The replacement value of goods retained by the person, individual, corporation or trade union from any previous election in the municipality and used in the current election.
 2. The value of contributions of goods and services.
 3. Audit and accounting fees.
 4. Interest on loans under section 88.17.
 5. The cost of holding fund-raising functions.
 6. The cost of holding parties and making other expressions of appreciation after the close of voting.
 7. For a candidate, expenses relating to a recount or a proceeding under section 83 (controverted elections).
 8. Expenses relating to a compliance audit.
 9. Expenses that are incurred by a candidate with a disability or a registered third party who is an individual with a disability, are directly related to the disability, and would not have been incurred but for the election to which the expenses relate.
 10. The cost of election campaign advertisements (within the meaning of section 88.3) or third party advertisements, as the case may be. 2016, c. 15, s. 57 (3).

Exception

- (4) For greater certainty, the cost of holding fund-raising functions does not include costs related to,
- (a) events or activities that are organized for such purposes as promoting public awareness of a candidate and at which the soliciting of contributions is incidental; or
 - (b) promotional materials in which the soliciting of contributions is incidental. 2016, c. 15, s. 57 (3).

Transition, candidates' expenses

(5) In the following circumstances, a candidate's expenses for the 2018 regular election that are described in paragraphs 7 and 8 of subsection (3) may include his or her expenses as a candidate in the 2014 regular election for an office on the same council or local board:

DUTIES OF CANDIDATES AND REGISTERED THIRD PARTIES

- (c) all funds in the campaign accounts are used exclusively for the purposes of the election campaign;
- (d) all payments for expenses are made from the campaign accounts;

- (h) records are kept of every expense including the receipts obtained for each expense;
- (i) records are kept of any claim for payment of an expense that the candidate disputes or refuses to pay;
- (j) records are kept of the gross income from a fund-raising function and the gross amount of money received at a fund-raising function by donations of \$25 or less or by the sale of goods or services for \$25 or less;
- (k) records are kept of any loan and its terms under section 88.17;
- (l) the records described in clauses (g), (h), (i), (j) and (k) are retained by the candidate for the term of office of the members of the council or local board and until their successors are elected and the newly elected council or local board is organized;
- (m) financial filings are made in accordance with sections 88.25 and 88.32;
- (n) proper direction is given to the persons who are authorized to incur expenses and accept or solicit contributions under the direction of the candidate;
- (o) a contribution of money made or received in contravention of this Act or a by-law passed under this Act is returned to the contributor as soon as possible after the candidate becomes aware of the contravention;
- (p) a contribution not returned to the contributor under clause (o) is paid to the clerk with whom the candidate's nomination was filed;
- (q) an anonymous contribution is paid to the clerk with whom the candidate's nomination was filed; and
- (r) each contributor is informed that a contributor shall not make contributions exceeding,

3/2

- (i) subject to subsection (2), a total of \$1,200 to any one candidate in an election, and
- (ii) a total of \$5,000 to two or more candidates for offices on the same council or local board. 2016, c. 15, s. 60; 2017, c. 10, Sched. 4, s. 8 (13).

Candidate for mayor, City of Toronto

(2) A candidate for the office of mayor of the City of Toronto shall ensure that each of his or her contributors is informed that a contributor shall not make contributions exceeding a total of \$2,500 to any one candidate for the office of mayor of the City of Toronto. 2016, c. 15, s. 60.

Exclusion of certain expenses

(3) Expenses described in paragraph 2 of subsection 88.19 (3) are not expenses for the purpose of clause (1) (a). 2016, c. 15, s. 60.

1. **The Financial Statement (here referred as "the Statement") the candidate filed on March 27, 2019 was incorrect and did not comply with Municipal Elections Act, 1996(Here referred as "the Act").**
2. The Statement was filed manually. It was confirmed by Justin Niddrie from Election Services that hard copies of the receipts of the contributions were submitted at the time of filing, and every entry into the EFFS was compared against the hard copy.
3. The Statement indicated that there were 118 contributions.
 - (A) In the EFFS, we found 224 records with **6 contributions, not listing on the filed statement totaling \$3265(Contributor#49 Fich, Leonard's \$400; #56 Garrett, Muriel Shelah's \$1125; #57 Garrett, William's \$1125;\$124 McNamee, John's \$190; #136 Pan, Boris' \$200 and \$153 Regehr, Sheila's \$200).** And we do not know all these were filed before the deadline? Were the records simply entered before or after the deadline, but not filed?
 - (B) However, **115 counts of disagreeable dates contributions received were found between the listing the candidate filed and the EFFS. No bank statements were filed to verify if every contribution was deposited into the campaign account and to verify the expenses for banking fees or charges.**
 - (C) **There was a fundraising event/activity on 2018-06-28: Norm Kelly Campaign Reception. 296 tickets were sold, and the ticket price was considered to be a contribution to his campaign. The candidate did not record these 295 contributions in Table 1 on his campaign financial statement (Form 4). The cost of the fundraising event On 2018-06-28 was recorded to be \$53,029.76. He got ticket revenue of \$87,300, but he did not record the net ticket revenue of \$34270.24(\$87,300-\$53,029.76). Therefore he had that amount of surplus to turn over to the city.**
 - (D) **There were total \$550 contributions of \$100 or less reported in Schedule 1, but neither EFFS nor manual print-outs recorded the details of the contributors.**
 - (E) **The candidate did not submit the bank statement to verify the details of the contributions. And he filed the statement with only some copies of the expenses totaling less than \$20,000. Without the bank statement and/or copies of every expense, most of the expenses could not be verified. Among the copies of the expenses he did file with his financial statement, there were 23 counts of expenses not in the campaign period. There were about \$100,000 expenses that could not be verified.**

4. In Table 4 of Schedule 2: The candidate did not report the inventory of campaign goods and materials from previous municipal campaign used in this campaign.
