Subject: **Statement in response to the Notice of Contravention of limit of Municipal Election contribution for Mr Khurram Aftab, under section 88.9 or 88.9.1**

Dear Ulli S Watkiss,

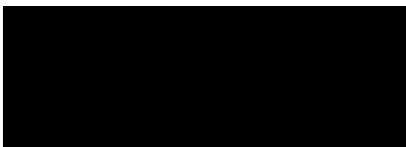

Many thanks for sending me letter dated 25 October 2019 in relation to the above said matter. Please find my reply as below.

I am a physician by profession. Mr Khurram Aftab is a family friend to me for last few years. I have known him well for good values to help people around him. I personally have never had any political associations or had made any financial contributions to any political campaign in the past. Mr Khurram Aftab wished to participate in Councilor elections and explained his good intentions to serve the community and requested financial support from me. It seemed very reasonable to me to help him in the matter. Mr Khurram Aftab provided a document from city of Toronto website indicating maximum limit of contribution of up to CAD\$ 5000, in order to help me decide the amount I may wish to contribute. I decided to contribute CAD \$ 2000 for his campaign, which I paid to his office as a cheque. It is only now when I received your letter that I found out that the contribution limit was CAD \$1200.

It is certainly a mistake in ignorance with no other intentions. I have learned my lesson and wish to offer an unreserved apology for my contravention. I assure the compliance audit committee that it will not happen again. I hope I can be pardoned this time.

Please do not hesitate to contact me if any further clarification is required.

Yours Sincerely

Dr. Imran Ibrahim
