RE: 2018 Municipal Election Contribution

Dear Compliance Audit Committee,

Thank you for the opportunity to address your Committee. In the period preceding the 2018 Toronto municipal election, I made two contributions to the same City Council campaign: one donation was sent from my home address and one was sent from my office. A coordination error lead to a total contribution which exceeded the Municipal Elections Act Contribution Limits by \$50.00. The Councillor's office has worked to refund this amount.

I apologize for this oversight--please let me know if I can be of any other assistance in resolving this matter.

Sincerely,

Michael McClelland
