DECISION HISTORY

According to Municipal Code Chapter 19, appointments to BIA Boards of Management expire with the term of Council. In an election year, BIAs are required to elect nominees for appointment for the next Board of Management term at an Annual General Meeting (AGM).

Community Councils have delegated authority over Board appointments for BIAs within their Community Council boundaries. Where BIA boundaries fall within more than one Community Council area, nominees are appointed by City Council.

As of the date of this report, seven (7) BIAs that fall within more than one Community Council boundary have held Annual General Meetings (AGMs) and elected Boards of Management for the 2019-2022 Council term.

The nominees listed in Recommendation 1 meet the requirements for membership of a BIA Board as set out in Chapter 19 of the Municipal Code.

In some cases, BIAs have voted to alter the size of their Board of Management. Amendments are required to Schedule A of Municipal Code Chapter 19, to update the number of directors of each BIA Board of Management.

COMMENTS

There are eight (8) BIAs that fall within the boundaries of more than one Community Council. To date, seven (7) have held their 2018 Annual General Meetings (AGMs) and elected directors to their Boards of Management. Six (6) were included in a previous report and one (1) is the subject of this report.

The one (1) remaining BIA will be included in a subsequent report.

Applications for Nomination have been provided to the BIA Office for each of the nominees in accordance with the Municipal Code.

Council members are appointed by right-of-office to the boards of BIAs in their wards.
