We have held an an 1,800 person conference at Beanfield for two years. The staff was responsive - particularly our main contact Nancy, the food good and the IA crew were great this year. What we like about this venue is that we can "own" the space, allowing us to brand and create an intimate atmosphere. We work in convention centres everywhere and this is one of the best ones - clean, good wifi for free!., lots of parking, adaptable space and nice people.
