Hello,

Medieval Times and Dinner & Tournament has been educating and entertaining domestic and international visitors for over 25 years. We are a top tourism attraction in the GTA.
We serve upwards of 300,000 guest per year and employ 200+ full and part-time team members.

While we are exciting about expansion and driving visitors to the grounds, future development that restricts vehicular traffic will impact our operation substantially.
The proposed 'Relax' zone on the west end of the grounds poses a threat to our business as it relates to accessibility for both vehicles and motor coach.
The removal of parking on the north, west and south side of our facility would impact our business with negative consequences. The postposed northwest above ground parking structure would impact our motor coach parking, roughly 1,700 coach/buses per year, impacting annual revenue by 25%.

Thanks,

Brian Light
