City Council Decision

City Council on June 26, 27, 28 and 29, 2018, adopted Item PW30.5 as amended, and among other things has directed the Budget Committee to consider funding the implementation of Community Safety Zones at every school in Toronto, including high schools and private schools, as part of the 2019 Budget Process.

Summary

City Council adopted, as amended, Item PW30.5 on Vision Zero Road Safety Plan: Designation of Community Safety Zones around Elementary Schools. City Council has directed the Budget Committee to consider funding the implementation of Community Safety Zones at every school in Toronto, including high schools and private schools, as part of the 2019 Budget Process.
