Toronto Accessibility Advisory Committee Outstanding 2014-2018 Agenda Items

Summary:

In an effort for the new Toronto Accessibility Advisory Committee members to gain an understanding of the work undertaken in the last term of the committee and the outcomes of committee decisions, I am requesting the Accessibility Consultant, Equity, Diversity and Human Rights to provide a review of decisions and report on outstanding agenda items for the 2014-2018 term at a future 2019 Toronto Accessibility Advisory Committee meeting.

Recommendations:

That:

1. The Accessibility Consultant, Equity, Diversity and Human Rights be requested to report to the July 12, 2019 Toronto Accessibility Advisory Committee meeting to provide an overview of items considered by the Toronto Accessibility Advisory Committee during the 2014-2018 term and an update on outstanding items.

Michael Miceli

Member of the Toronto Accessibility Advisory Committee
