

Investing in Canada Infrastructure Program – Community, Culture and Recreation Infrastructure Stream

Date: October 8, 2019
To: Executive Committee
From: City Manager
Wards: All

SUMMARY

This placeholder report is to advise that the City Manager will be bringing forward a report to the October 23, 2019 Executive Committee meeting.

This report from the City Manager will provide an update on the Investing in Canada Infrastructure Program (ICIP) – Community, Culture and Recreation (CCR) infrastructure stream, confirm the list of project applications for submission, and seek authority for staff to apply for and enter into funding agreements for these projects.
