(Current to 8:30 am on Thursday, March 21, 2019)

Communications similar to the following text:

Dear Executive Committee Members,

I am your constituent and I am emailing to ask that you stand strong against Ford's plans to takeover our subway, and that you vote in support of a public information campaign that includes the public. I was proud that the Mayor and the majority of City Council voted in December to oppose the upload.

The negotiations on the TTC's future are happening now - behind closed doors. And while Doug Ford and his team are releasing videos and ads to put his spin on his subway takeover, the City of Toronto is essentially silent.

I am asking you to vote to keep the public informed about the consequences of a provincial subway upload and to open up this process to all Torontonians.

Good transit is badly needed to reduce congestion, grow our economy, and connect communities to services. We need to keep the TTC together, in Torontonians' hands.

Sincerely,

This message has been sent to my local councillor and Mayor John Tory.

To the City Clerk: Please add my comments to the agenda for the March 21, 2019 Executive Committee meeting, on items EX3.1 and EX3.12. I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees.
