City Clerk

Subject: Item 2019.Ex 9.1 Toronto-Ontario Transit Update

Please accept the following written deputation in support of Scarborough transit.

The Highland Creek Community Association:

1. Supports a three-stop Scarborough subway, which is mandated by Provincial legislation.
2. Supports the agreement between the City of Toronto and the Province of Ontario that commits the Province to full financing and construction responsibility for the Scarborough subway and Ontario line and will free up City of Toronto funds originally committed to these projects.
3. Our unequivocal support that some of those now freed-up City funds be dedicated to moving ahead with construction of the Eglinton East LRT (EELRT) extension in full to Malvern.

Respectfully submitted,

David Adamson, President
Highland Creek Community Association
