**Date:** September 18, 2019  
**To:** Etobicoke York Community Council  
**From:** Acting Director, Traffic Management, Transportation Services  
**Wards:** Ward 3 – Etobicoke-Lakeshore

### **SUMMARY**

---

The purpose of this report is to prohibit stopping at all times on the north side of Marine Parade Drive, between Shore Breeze Drive and the TTC bus stop east of The Marginal Boulevard. The proposed prohibition was requested by the Humber Bay Shores Condominium Association (HBSCA), in consultation with staff and the Ward Councillor, to address concerns regarding manoeuvrability within the westbound lane.

As the Toronto Transit Commission (TTC) operates bus service on Maine Parade Drive, City Council approval of this report is required.

### **RECOMMENDATIONS**

The Acting Director, Traffic Management, Transportation Services recommends that:

1. City Council rescind the existing parking prohibition in effect at all times on the north side of Marine Parade Drive, between Shore Breeze Drive and a point 87 metres east of The Marginal Boulevard.

### **DECISION HISTORY**

---

This report addresses a new initiative.

## **COMMENTS**

---

Transportation Services received a request via the local Councillor, on behalf of the Humber Bay Shores Condominium Association (HBSCA), that stopping be prohibited at all times on the north side of Marine Parade Drive, between Shore Breeze Drive and a point 87 metres east of The Marginal Boulevard. The request is due to concerns that vehicles parked on the north side of the street, often make it difficult to manoeuvre in the westbound lane. A map of the area is shown on Attachment 1.

Marine Parade Drive is a collector road in the residential community south east of the intersection of Park Lawn Road and Lake Shore Boulevard West. The posted speed limit is 40 km/h. The road width on Marine Parade Drive ranges between 10.0 metres (east end) and 17.3 metres (west end). The westerly portion of the road is divided by a centre median. There are a number of high-rise condominiums located in the area, some of which have a commercial component on the ground floor.

In consultation with the local Councillor, Transportation Services recommends prohibiting stopping at all times on the north side of Marine Parade Drive, between Shore Breeze Drive and a point 87 metres east of The Marginal Boulevard. This will address concerns regarding manoeuvrability within the westbound lane.
