To the Chair and Members of Etobicoke York Community Council,

Martin Luther Church supports the designation of the property at 58 Wheatfield Road, Mimico as a heritage building under the Ontario Heritage Act. It is important to preserve the Alfred Baker House considering its known history and value to the community. It has been listed on the heritage registry since 1998!

While demolition might be the easy answer for the current owners, the Etobicoke York Community Council should support the City of Toronto's intent to designate the Alfred Baker House.

A handwritten signature in black ink, appearing to read 'Ceconi', with a long, sweeping flourish extending to the right.
