To the Chair and members of Etobicoke York Community Council:

Re: EY4.5: 58 Wheatfield Road, Mimico: Intent to Designate under the Ontario Heritage Act

We are writing on behalf of the Mimico Lakeshore Community Network, an umbrella organization that brings together seven different groups that share concerns about planning, housing and other community issues in the Mimico Lakeshore area.

MLCN enthusiastically supports the designation of the Alfred Baker house at 58 Wheatfield Road under Part IV, Section 29 of the Ontario Heritage Act.

The preservation of historically significant houses and buildings is an indispensable means of maintaining the distinctive character of neighbourhoods such as ours. The City should seize this opportunity to extend the life of the Alfred Baker house; it is an irreplaceable part of the historic fabric of what was once the small town of Mimico.
