March 5, 2019 Hearing**

**Date:** February 15, 2019

**To:** General Government and Licensing Committee

**From:** Interim Controller

**Wards:** All

**SUMMARY**

---

This report deals with tax appeal applications made to the Treasurer pursuant to sections 323 and 325 of the City of Toronto Act, 2006 (COTA). Section 323 permits Council to cancel, reduce or refund taxes in cases when, during the year, a property undergoes changes such as when it is destroyed by fire or demolished, becomes exempt from taxation, or is reclassified due to a change in use. Under section 325 of the COTA, taxpayers can request a cancellation, reduction or refund of taxes when an error in the assessment roll is identified which results in an overcharge.

The legislation requires Council to make its decision after holding a public meeting at which applicants and/or property owners may appear or make representations regarding the tax application. Council has delegated authority to hear and make final decisions in respect of these matters to the General Government and Licensing Committee.

Staff have mailed Notices of Hearing to affected taxpayers advising of the upcoming General Government and Licensing Committee Hearing on March 5, 2019.

**RECOMMENDATIONS**

---

The Interim Controller recommends that:

1. General Government and Licensing Committee approve the individual tax appeal applications made pursuant to section 323 of the City of Toronto Act, 2006 resulting in tax reductions (excluding phase-in/capping amounts) identified in the Detailed Hearing Report marked as Appendix A.

2. General Government and Licensing Committee approve the individual tax appeal applications made pursuant to section 325 of the City of Toronto Act, 2006 resulting in tax reductions (excluding phase-in/capping amounts) identified in the Detailed Hearing Report marked as Appendix B.

## **ISSUE BACKGROUND**

Section 323 of the City of Toronto Act, 2006 (COTA) allows Council to cancel, reduce or refund taxes levied in a year for the following reasons:

- property is eligible to be reclassified to a different class;
- property has become vacant land or excess land;
- property has become exempt from taxation;
- property has been razed/damaged by fire, demolition or otherwise;
- mobile unit has been removed;
- taxpayer has been unable to pay taxes due to sickness or extreme poverty;
- taxpayer has been overcharged due to gross or manifest clerical error; or,
- property could not be used for at least three months due to repairs or renovations.

Section 325 of COTA allows Council to cancel, reduce or refund taxes relating to errors made in the preparation of the assessment roll for one or both of the two years preceding the year in which the application is made. The Municipal Property Assessment Corporation (MPAC) must confirm an error in the assessment being appealed for Council to proceed with hearing a section 325 appeal application.

As the Revenue Services Division receives tax appeal applications, they are reviewed to determine eligibility, and eligible applications are sent to MPAC to obtain the related assessment information. Once the information is received from MPAC, the tax cancellation/reduction amount is calculated. Notices are prepared to advise the applicant of the amount that may be cancelled/reduced, and the time and date of the upcoming meeting before the General Government and Licensing Committee.

To facilitate the hearing process and address taxpayers' questions and concerns, Revenue Services staff respond to many telephone calls and meet with taxpayers, as necessary, in advance of the public meeting.

## **COMMENTS**

---

Revenue Services staff recommend to cancel/reduce taxes totalling \$3,849,467 (including Business Improvement Area charges and excluding phase-in/capping) under section 323 of COTA and \$445,778 (including Business Improvement Area charges and excluding phase-in/capping) under section 325 of COTA.

The attached Appendices A and B list the 443 applications for tax cancellation or reduction, and provide the property address, roll number, ward number, appeal number, tax year, the reason/type of appeal, the number of days for which relief is being recommended, the total amount of the recommended reduction/cancellation of taxes, the City and Education share of the tax cancellation/reduction and the amount of the BIA reduction.

If the General Government and Licensing Committee approves the cancellation/reduction of taxes as recommended by this report, Notices of Decision will be mailed to taxpayers. Under section 323(7) of the Act, an owner may appeal a decision of the General Government and Licensing Committee to the Assessment Review Board (ARB) within 35 days of the General Government and Licensing Committee's decision.

Table 2, below, summarizes the 443 applications filed, the section of the COTA they were filed under, the reason for the application, the number of applications for each reason, the tax reduction breakdown as shared between the City and the province/school boards, the amount of the BIA reduction and the total reduction in taxes recommended.
