Re: City Hall Council Chambers Modernization Update

---

**Background:**

The City of Toronto Council Chambers modern capabilities are in need of a review to determine if measures can be implemented to better serve the current council, committee meetings and events that take place in the space.

**Recommendation:**

That the General Government and Licensing Committee:

1. Request the Deputy City Manager, Corporate Services and the City Clerk, to report to the November 18, 2019 meeting of the General Government and Licensing Committee to:
  - a. Provide an update on modernization options for the City Hall Council Chambers; and
  - b. Report on the current Council Chamber challenges.

All my Best,

Paul Ainslie  
City Councillor, Ward 24  
Scarborough - Guildwood
