DECISION HISTORY

In accordance with Chapter 195, of the Toronto Municipal Code, Section 195-8.3A (2) the Bid Award Panel is authorized to exercise the power of a Standing Committee to make an Award of a Contract that exceeds \$20,000,000 excluding all taxes during the period between when Council breaks for the summer recess and the first agenda closing deadline for the appropriate Standing Committee. Section 195.8.3B requires that the award shall be reported by the Chief Purchasing Officer to the General Government and Licensing Committee for information.

COMMENTS

Two contracts were awarded by the Bid Award Panel that exceeded \$20 million during the 2019 Summer Recess Period as shown in Table 1 below. As required by the Purchasing By-law, the contracts were awarded to either the lowest bidder meeting specifications or the highest scoring proponent. Further, each of them had been contemplated in the appropriate capital or operating budget and received financial approval from Financial Planning. Finally, all of the calls noted below closed and the evaluation was completed at a point where they could not report to the appropriate Standing Committee, which necessitated the use of the delegated authority for Bid Award Panel.
