Mr. Joe Cressy
Chair, Board of Health
City of Toronto Health Unit
100 Queen Street West
City Hall, Floor 2, Suite C53
Toronto ON M5H 2N2

Dear Mr. Cressy:

I am pleased to advise you that the Ministry of Health and Long-Term Care will provide the Board of Health for the City of Toronto Health Unit up to \$15,543,300 in additional base funding for the 2019-20 funding year to support the new dental program for low income seniors. This program aims to prevent chronic disease, reduce infections and improve quality of life, while reducing burden on the health care system.

Dr. David Williams, Chief Medical Officer of Health, will write to the City of Toronto Health Unit shortly concerning the terms and conditions governing this funding.

A dental program for low-income seniors is a key example of the public health sector's important role in supporting and addressing the needs of vulnerable populations to help prevent disease, complications and hospitalizations.

We will be working closely with our key delivery partners in the public health sector over the coming weeks and months ahead to support implementation of this program.

Thank you for your dedication and commitment to public health in this province.

Sincerely,

A handwritten signature in blue ink that reads 'Christine J. Elliott'.

Christine Elliott
Deputy Premier and Minister of Health and Long-Term Care
