Comments:

Lanterra Developments Ltd. is actively involved with development projects along the Yonge Street corridor. 501 Yonge Street and 11 Wellesley Street West are well underway with construction.

Lanterra Developments Ltd. is writing to express support for the Phase 1 YongeTOMorrow Municipal Class Assessment (EA) on Yonge Street from Queen Street to College/Carlton Street being undertaken by the City. We believe that opportunities for increasing pedestrian space and improving the way people move through and experience Yonge Street reflects good City building objectives. We look forward to the continuation of this process as it moves towards Phase 2.

Thank you
