Recommendations

Councillor Jaye Robinson, seconded by Councillor Mike Colle, recommends that:

1. City Council express support to the Province of Ontario with respect to Bill 62, the Protecting Vulnerable Road Users Act (2018).

Summary

On November 21, 2018, the Ontario Legislature passed first reading of Bill 62, the Protecting Vulnerable Road Users Act (2018). This Bill, if passed, will allow for increased consequences for any driver involved in a collision that seriously injures or kills a vulnerable road user.

Vision Zero, Toronto's first comprehensive road safety plan, has put in place a number of initiatives to protect vulnerable road users. By putting in place the potential for more serious consequences for drivers, this Bill will help to increase the City's resources available to keep road users safe.
