Recommendations

Councillor Stephen Holyday, seconded by Councillor Brad Bradford, recommends that:

1. City Council amend the 2019 Council Approved Parks, Forestry and Recreation Capital Budget to change the project scope for the Ward 3 Park Improvements sub-project, in the Park Development project to Broadacres Park Basketball Court.

Summary

This Motion seeks authority to amend the project scope for the [former] Ward 3 Park Improvements sub-project in the 2019 Parks, Forestry and Recreation Capital Budget, changing it to the Broadacres Park Basketball Court.

Broadacres Park is a 5.7 hectare City park that includes a ball diamond, playground and large open green space. The scope of work for the project includes a new basketball court and related components. There is currently a lack of basketball courts in the area, with the closest basketball court located 6.5 kilometres away. The addition of a basketball court in the park will increase the provision of recreation opportunities for area residents.
