COMMENTS

Composition of the Committee of Adjustment

At its meeting on April 16 and 17, 2019, City Council amended the composition of the Committee of Adjustment by increasing the number of panel members to 35 and eliminating specific panels per district while stipulating the number of panel members per district as follows:

- Etobicoke York: 8 panel members;
- North York: 10 panel members;
- Toronto and East York: 12 panel members;
- Scarborough: 5 panel members.

The applications heard by each panel correspond with the Community Council boundaries.

Under the Planning Act, members of each panel of the Committee of Adjustment elect their own Chair.

Committee members must meet certain qualifications

In addition to the general eligibility requirements set out in the Public Appointments Policy, members should collectively bring the following skills and expertise to the committee:

- a strong interest in the complexities and challenges of city building
- an understanding of the diverse neighbourhoods and communities across the city
- have knowledge in one or more areas of: law, planning, architecture, government, economic development, community development, land development, urban forestry and environmental planning, or citizen advocacy
- demonstrate decision-making, communication, and mediation skills to facilitate an open and fair hearing process

- each panel should have at least 2 members with adjudication experience and administrative public speaking and organizational skills to be able to chair public hearings and maintain order in conflict situations

Members cannot act as agents for applicants before the Committee of Adjustment.

Former Council members who served in the immediately preceding term of Council are ineligible for appointment as public members.

Term of office

Under the Planning Act, the term of office for public members of the Committee of Adjustment is coincident with the term of the council that appointed them. The public members will serve a term of office ending November 14, 2022, continuing to serve until successors are appointed.

Committee members receive remuneration

Public members, including the Chair receive full-day per diem of \$460 and half-day remuneration (3.5 hours or less) of \$275 for hearings, business meetings and training sessions.

Each public member who is not a chair will receive a stipend of \$1,500 per year, pro-rated on an annual basis from the time of appointment. Chairs will receive an annual stipend of \$2,500, pro-rated on an annual basis from the time of appointment.

We have consulted with City Planning staff

Public Appointments Secretariat staff consulted with City Planning staff in the fall of 2018 and winter 2019 to discuss committee qualifications, the appointment process, and emerging trends and issues at the committee.

Outreach was conducted for these vacancies

The opportunity to join the Committee of Adjustment was included in a city-wide outreach campaign in the fall of 2018 to coincide with the new term of City Council. This recruitment to attract skilled, diverse candidates included transit shelter ads, online ads, attending and speaking at community, professional and industry events, use of social media including Twitter and LinkedIn, Novae Res Urbis, the OPPI job board, and outreach via the Public Appointments e-update list.

Next steps - Interviews

Once the Nominating Panel - Committee of Adjustment selects candidates for interviews, the City Clerk's Office will contact the candidates to schedule them for 15 minute interviews. Fifty interviews at 15 minutes each will take approximately 16 hours to complete.
