RE: Speed Limit Reduction on Fenn Avenue

Dear Chair and Colleagues,

A number of residents on Fenn Avenue have contacted me to share their concerns about speed and volume issues on their street. Residents regularly observe motorists turning southbound onto Fenn Avenue from York Mills Road to avoid congestion at the intersection of Bayview Avenue and York Mills Road. These drivers are often travelling at high speeds in an attempt to make-up time after re-routing from York Mills Road.

Fenn Avenue is a residential street with many families and children walking to and from the nearby Owen Park and Owen Public School.

RECOMMENDATIONS

That North York Community Council:

1. Reduce the speed limit from 50km/h to 40km/h on Fenn Avenue, between York Mills Road and the south end of Fenn Avenue.

Warm regards,

Jaye Robinson
