1. Prohibit parking at all times, on the west side of Liszt Gate between Finch Avenue East and a point 40 metres north.

FINANCIAL IMPACT

DECISION HISTORY

This report addresses a new initiative.

COMMENTS

Transportation Services received a request from the Ward Councillor, on behalf of an area resident, requesting that parking be prohibited at all times on the west side of Liszt Gate, from Finch Avenue West to a point 40 metres further north due to large vehicles parking near the driveway of the townhouse complex at No. 6 Liszt Gate, which causes sightline issues for motorists attempting to enter and exit the driveway.

Liszt Gate is an 8.5 metre wide local roadway. There are sidewalks on both sides of the street. There is no TTC bus service on this street. The following parking regulations are in effect on Liszt Gate, between Finch Avenue West and Rameau Drive:

East Side

- Parking is prohibited at all times on the east side of Liszt Gate.

West Side

- Parking is prohibited at all times, on the west side of Liszt Gate, between Finch Avenue East and a point 30.5 metres further north (statutory, signed);
- Parking is prohibited at all times, on the west side of Liszt Gate, between a point 60 metres south of Rameau Drive and a point 17 metres further south;
- Parking is permitted for a maximum period of three hours, for the remainder of the west side of Liszt Gate.

In consultation with the Ward Councillor, Transportation Services recommends that parking be prohibited at all times on the west side of Liszt Gate, between Finch Avenue West and a point 40 metres further north. This will address the sightline issues caused by large vehicles parking at the driveway access to the townhouse complex at No. 6 Liszt Gate.
