

Parking Amendments - Doris Avenue and Beecroft Road

Date: August 7, 2019

To: North York Community Council

From: Acting Director, Traffic Management, Transportation Services

Wards: Ward 18 - Willowdale

SUMMARY

This staff report is about a matter for which Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with City policy or by-laws.

Transportation Services is seeking authority to amend the parking regulations on Beecroft Road and Doris Avenue. The proposed amendments to the by-law will address the operational concerns associated with the increased traffic on both roadways by extending the No Parking periods from the existing 7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m., Monday to Friday, to 7:00 a.m. to 10:00 a.m. and 3:30 p.m. to 6:30 p.m., Monday to Friday. It will also address discrepancies between the existing by-laws and the on-street signage and provide motorists parking on these roadways with clear signage.

Transportation Services is also requesting approval to prohibit stopping at all times on the west side of Beecroft Road, approximately 5.5 metres south of the driveway access and egress for the Lawn Bowling Club at No. 150 Beecroft Road. The proposed stopping prohibition will prohibit motorists from parking close to the driveway access and will address the sightline concerns expressed by motorists exiting the Lawn Bowling Club.

DECISION HISTORY

This report addresses a new initiative.

COMMENTS

To address the operational concerns associated with the increased traffic on Doris Avenue and Beecroft Road, and to address issues with some of the parking by-laws not matching the posted regulations, Transportation Services reviewed the current parking regulations on Doris Avenue and Beecroft Road.

In addition, Transportation Services was requested by the office of Councillor John Filion to review the feasibility of prohibiting stopping at all times on the west side of Beecroft Road, approximately 5.5 metres south of the driveway access and egress for the Lawn Bowling Club.

Beecroft Road

Beecroft Road is a four lane, north/south collector street. It has a posted speed limit of 40 km/h and a daily traffic volume of approximately 21,000 vehicles. Sidewalks are located on both sides of the street and there is no TTC service provided on Beecroft Road.

The land use on Beecroft Road is high rise residential and commercial. Beecroft Park and York Cemetery and Funeral Centre is located on the west side, between Park Home Avenue and Burnett Avenue. Willowdale Lawn Bowling Club is located at No. 150 Beecroft Road on the west side of the street, south of North York Boulevard.

The current by-lawed parking regulations on Beecroft Road, between Finch Avenue West and Sheppard Avenue West are provided in Appendix 1.

To address the operational concerns associated with the increased traffic on Beecroft Road, Transportation Services is recommending to alter the parking regulations on this street. The proposed amendments are feasible and will improve traffic operations on Beecroft Road by extending the duration of the periods of prohibited parking from 7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m., Monday to Friday, to 7:00 a.m. to 10:00 a.m. and 3:30 p.m. to 6:30 p.m., Monday to Friday.

Observations revealed vehicles parking on the west side of Beecroft Road, approximately 19 metres south of North York Boulevard, in the first pay-and-display parking space, result in a sightline obstruction for motorists exiting the Lawn Bowling Club. Transportation Services has no objections to a prohibition of stopping at all times for approximately one car length (5.5 metres) to the south of the driveway access. This change will result in the loss of one pay-and-display parking space on the west side of Beecroft Road. This regulation will prohibit motorists from parking close to the driveway access and will address the sightline visibility concerns expressed by motorists exiting the Lawn Bowling Club.

In addition to the operational concerns, Transportation Services' review of the existing parking regulations on Beecroft Road noted that much of the existing signage did not reflect the approved by-law. As such, Transportation Services is recommending a number of housekeeping amendments to bring the existing signage into conformity with the by-law.

Doris Avenue

Doris Avenue is a four lane, north/south collector street. It has a posted speed limit of 40 km/h, between Sheppard Avenue East and Church Avenue and a daily traffic volume

of approximately 14,000 vehicles. Sidewalks are located on both sides of the street and there is no TTC service on Doris Avenue.

The land use on the section of Doris Avenue, between Greenfield Avenue and Sheppard Avenue East, is high rise residential, on the west side and Toronto Catholic District School Board, on the east side. Cardinal Carter Academy for the Arts is located on the north side of Greenfield Avenue, approximately 50 metres west of Doris Avenue.

The current by-lawed parking regulations on Doris Avenue, between Greenfield Avenue and Sheppard Avenue East, are provided in Appendix 2.

The land use on the section of Doris Avenue, between Church Avenue and McKee Avenue is high rise residential, on the west side and McKee Public School, on the east side.

The current by-lawed parking regulations on Doris Avenue, between Church Avenue and McKee Avenue, are provided in Appendix 3.

Staff observations have confirmed that there are several by-law entries that are not reflected by the on-street signage. Therefore, in order to eliminate any confusion for motorists and to ensure that there are no issues with regards to enforcement of the signage, the existing parking by-law entries should be amended.

To address the operational concerns associated with the increased traffic on Doris Avenue, Transportation Services has no objection to alter stopping and pay-and-display parking duration from 7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m., Monday to Friday, to 7:00 a.m. to 10:00 a.m. and 3:30 p.m. to 6:30 p.m., Monday to Friday. The proposed amendments are feasible and will improve traffic and parking operations on Doris Avenue.

The Ward Councillor has been advised of the recommendation of this staff report.
