DECISION HISTORY

A request was received from Councillor James Pasternak, on behalf of area residents, to introduce the overnight on-street permit parking program on streets in the Stanley Greene Development to accommodate their long term parking needs.

COMMENTS

Portions of a new residential development within the Stanley Greene neighbourhood in the Downsview Lands have recently been constructed. This development is located on the east side of Keele Street, between Wilson Avenue and Sheppard Avenue West, and includes a number of new streets in an internal road network. The development is comprised mainly of townhouses, as well as some single detached homes, located on the west side of Stanley Greene Boulevard. Some of these homes were constructed with many substandard garages that can only accommodate one small vehicle. Accordingly, the majority of residents living in this neighbourhood are required to park their vehicles on the street.

At the July 23, 2018, North York Community Council, Item NY33.3, <http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2018.NY33.3> approved a 12 hour parking maximum from 8:00 p.m. of one day to 8:00 a.m. of the next following

day from July 24, 2018 to Monday April 22, 2019, as a temporary solution and to provide newly moved residents the time to formally organize and submit petitions requesting the implementation of permit parking to their city councillor.

Under the provisions of Municipal Code, Chapter 925, Permit Parking, we are required to conduct a poll of the residents to determine if there is support to introduce permit parking.

Ballots were mailed in early September 9, 2019, with the last day for filing a response being November 5, 2019. The results of the poll listed in Appendix A:

The majority of area residents from Caroline Carpenter Grove, between Locust Lodge Gardens and John Perkins Bull Drive; Downsview Park Boulevard, between Stanley Greene Boulevard and the easterly limit of Downsview Park Boulevard; Frederick Tisdale Drive, between Downsview Park Boulevard and John Perkins Bull Drive; Locust Lodge Gardens, between Stanley Greene Boulevard and Frederick Tisdale Drive; Sarah Jackson Crescent, between William Duncan Road and Thomas Mulholland Drive; Stanley Greene Boulevard, between Downsview Park Boulevard and the southerly limit of Stanley Greene Boulevard; and Thomas Mulholland Drive, between Stanley Greene Boulevard and William Duncan Road who returned their ballots are in favour of the introduction of overnight on-street permit parking.

Transportation Services has no objections to the implementation of permit parking on the above noted residential streets within the Stanley Greene Development.
