To the Members of the North York Community Council

Re: Motion to Amendment Item NY9.5

Summary

City Staff are undergoing a Block Master Plan study for the Yorkdale lands and will be holding community consultation meetings in relation to it. Considering that a community consultation meeting on the Block Master Plan study will be taking place on this application, it makes most sense to combine the two community consultation meetings together.

Recommendations:

That North York Community Council request:

1. That City Staff hold the community consultation meeting for the application at 3401 Dufferin Street and 1 Yorkdale Road in conjunction with the upcoming consultation on the Yorkdale Block Master Plan study.

A handwritten signature in black ink that reads 'Mike Colle'. The signature is stylized with a large, looped 'M' and a cursive 'Colle'.
