RE: NY11.21 – All-Way Stop Control – Mount Pleasant Road and Golfdale Road

Dear Chair and Colleagues,

In my absence, I'm writing to ask for your support for NY11.21 – All-Way Stop Control at Mount Pleasant Road and Golfdale Road.

The neighbourhood has been concerned about traffic and pedestrian safety at the above noted intersection for many years.

With the neighbourhood's support, I directed Transportation staff to conduct a traffic study this spring after several accidents occurred at the intersection. As the staff report indicates, the study came back positive and staff have determined that all-way stop control is warranted at Mount Pleasant Road and Golfdale Road.

Many local residents have contacted my office supporting NY11.21. On their behalf, I am writing to request that you vote in favour of this item.

Thank you in advance for your consideration.

Sincerely,
