

### 2019 Toronto Parking Authority Parking Passes

**Date:** December 3, 2018  
**To:** Board of Directors, Toronto Parking Authority  
**From:** Acting President, Toronto Parking Authority  
**Wards:** All

#### SUMMARY

---

Each year, pursuant to Toronto Parking Authority ("TPA") Policy Resolution 3-4, "Issuing of Lifetime and Annual Toronto Parking Authority Parking Passes", the TPA Board is requested to review and approve the list of Annual Parking Pass holders. The annual passes are made available to TPA Board members, various management and staff who, because of their duties, require frequent access to TPA facilities, including TPA service providers, City Councillors and certain City/Agency staff. In addition, the Policy sets out eligibility parameters (long service) for TPA retirees qualifying for a lifetime parking pass.

#### RECOMMENDATIONS

---

The Acting President of the Toronto Parking Authority recommends that:

1. The Board of Directors of the Toronto Parking Authority Board approve the 2019 TPA Annual Parking Pass list, pursuant to TPA Policy Resolution 3-4, "Issuing of Lifetime and Annual Toronto Parking Authority Parking Passes", contained as Attachment 1: *2019 List of Annual Toronto Parking Authority Parking Pass Cardholders*, to this report dated December 3, 2018.

#### FINANCIAL IMPACT

---

The estimated transactional values of pass usage based on past years' patterns are as follows: TPA staff/Board/Service providers - \$270,000; City Councillors/Officials - \$20,000; TPA long serving retirees/Board - \$27,000. Given that the composition of Toronto City Council for the 2018-2022 term has been significantly reduced, the estimated transactional values of pass usage for this group may be much lower.

## **DECISION HISTORY**

---

TPA Policy Resolution 3-4, *Issuing of Lifetime & Annual TPA Parking Passes*, contained in Attachment 2 of this report, governs the issuance of annual and lifetime parking passes. This longstanding policy was last amended by the Board of Directors at its meeting of October 22, 2014 (Board Minute #14-142).

The most recent annual Board review and approval of the Annual Parking Pass list, as mandated in the Policy, was carried out by the Board at its meeting of February 5, 2018. <http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2018.PA7.3>

## **COMMENTS**

---

The Policy sets out a number of groups who are eligible for the issuance of an annual parking pass, which is valid for one calendar year (subject to staffing and position changes which may occur during the course of the year) and include: TPA Board members and various staff and service providers who, because of their duties (for example, maintenance and enforcement personnel, revenue collections, staff frequently attending meetings, design and construction inspection, equipment auditing, snow clearing, landscaping, etc.) require frequent access to TPA facilities; City Councillors; and certain City/Agency staff. The pass allows free access to parking privileges at TPA off-street facilities and on-street pay and display locations. It is intended to be used primarily when on City or Authority business, and to enable holders to familiarize themselves with TPA facilities and operations, and to provide opportunity to pass on observations and critiques that we may use to address potential improvement to service quality. Long-serving TPA retirees and former Board members are also eligible for issuance of a "lifetime" pass for Green P facilities as per the requirements noted in the Policy. The 2019 list is provided in Attachment 1.

# TPA BOARD POLICY RESOLUTION 3-4: "ISSUING OF LIFETIME & ANNUAL TORONTO PARKING AUTHORITY PARKING PASSES"

---

## TORONTO PARKING AUTHORITY

### POLICY RESOLUTION

**3-4**

---

**POLICY ITEM:** Issuing of Life Time & Annual Toronto Parking Authority  
Parking Passes

---

PAGE 1 OF 1

The Toronto Parking Authority issues annually a parking pass card that allows the holder free parking privileges at all of the TPA off-street parking lots that accept credit cards and at all on-street pay-and-display machines. The only locations where the card cannot be used is in those areas where parking meters are used to control payment for on-street parking spaces.

#### 1. Life Time Parking Passes

Life time parking passes are issued irrevocably to individuals who meet one of the following criteria:

- a) Upon retirement or leaving the Toronto Parking Authority in good standing and having worked for the TPA and the Parking Authority of Toronto; or the Parking Authority of North York; or any employee who transferred from the City of Toronto to the TPA at the time of amalgamation in 1998; for a combined total years of service equalling twenty (20) full years;
- b) To any Board Members, upon leaving the Board in good standing.

#### 2. Annual Passes

The Toronto Parking Authority issues parking passes valid for one calendar year to the following:

- a) Toronto Parking Authority Board members.
- b) Toronto Parking Authority management and supervisory staff who, because of their duties, require frequent access to and from Parking Authority off-street lots or on-street parking,
- c) All members of City Council,
- d) City of Toronto management employees who are listed on page three (3) of the attached list.

Annual passes are intended to be used primarily when the individual is on TPA or City business, but also to familiarize pass holders with TPA facilities and operations and provide opportunities to pass observations or criticisms back to TPA staff for potential improvements to the facility or the quality of service.

3. The Board of Directors of the Toronto Parking Authority may award an annual parking pass to an individual who sits on Toronto Parking Authority Committees, without reimbursements, or that Chairs other municipal boards.
4. A list of annual parking pass holders will be reviewed and approved by the Board once each year. No other individuals will be entitled to receive an annual Parking Authority pass card other than those on the list or on approval of the Board of Directors throughout the year.
