Re: Toronto Heritage Survey

June 13, 2019

Dear Committee Members,

I am writing on behalf of the ABC Residents Association (ABCRA) to inform you that ABCRA supports the proposal for a City-wide Heritage Survey. We believe that a proactive, systemic study of properties within the City of Toronto is necessary in order to identify properties with cultural heritage value.

The ABC boundaries encompass several of Toronto's most historic neighbourhoods and streets, with many buildings that have already fallen victim to destruction and many more under threat of disappearance. We believe that our city's neighbourhoods will benefit greatly from a heritage survey that is based on established international best practices.

Sincerely,  
Kathrin Bohr  
ABCRA Executive Director
