(the Municipal Shelter By-law)**

PLACE: City Hall, Committee Room 1, 2nd Floor
100 Queen Street West, Toronto

PROPOSAL

The City of Toronto is proposing to enact a zoning by-law amendment to increase the as-of-right zoning permissions for municipal shelters throughout the City of Toronto. This will include amendments to Zoning By-law 569-2013 and the Municipal Shelter By-law 138-2003. The proposed zoning by-law amendments will remove the two locational criteria that currently apply: a 250-metre separation distance requirement from another shelter, and the requirement to be located on or within 80-metres of a major street. Deleting these two locational requirements from the zoning by-laws will improve the City's ability to respond to the increasing need for shelter services.

Detailed information regarding the proposal, including background information and material may be obtained by contacting any of the following staff in the Zoning Section of the City Planning Division:
