To the Chair and the members of the Planning and Housing Committee of Toronto City Council:

Re: PH3.1, As-of-Right Zoning for Secondary Suites

We are writing on behalf of the Mimico Lakeshore Community Network, an umbrella organization that brings together seven different groups that share concerns about planning, housing and other community issues in the Mimico Lakeshore area.

The City's proposed relaxation of the restrictions on secondary suites is to be welcomed. It will bring a number of affordable rental units onto the market which otherwise might not have been created.

In view of the crisis this city is now experiencing in the matter of affordable housing, any initiative that will help the situation should be encouraged and acted upon promptly.
