

CONDOLENCE MOTION

Moved by: Councillor Jennifer McKelvie

Seconded by: Councillor Jim Karygiannis

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Danielle Moore on March 10, 2019.

Danielle was a brilliant student; valedictorian of her graduating class at Francis Libermann Catholic High School in Scarborough and an undergraduate student at Dalhousie's competitive Marine Biology program. She was a proud and engaged activist, dedicated to environmental initiatives and Indigenous issues. Danielle exuded vibrant positivity, compassion, and optimism. She taught robotics and coding to Indigenous youth in Iqaluit, was engaged with student groups, and was recognized by her peers as a strong, budding leader. Danielle was on her way to the UN Environment Assembly in Kenya before she passed away. Hundreds of individuals, friends, and students who were fond of her and inspired by her activist mindset attended her funeral. Danielle was also a talented and creative singer and performer.

Danielle was the model Millennial: engaged, multi-talented, positive, and dedicated. It is the hope of City Council that her example is remembered and followed by her peers. May she rest in peace.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Danielle Moore's family.
