1.4 RFP Process Terms and Conditions

This RFP process is governed by the terms and conditions in Appendix 'A'.

2.0 PURPOSE

The purpose of this RFP is to select an experienced architect and/or architectural firm for the provision of complete architectural services including design and contract administration of a restaurant and activation space at the Sony Centre for Performing Arts. In accordance with the TO Live's policy, qualified, experienced firms are invited to submit responses to this Request for Proposal.

2.1 Background

Owned by the City of Toronto, Sony Centre is a heritage building. The building was designed by architect Peter Dickenson and constructed in 1959. Originally named as the O'Keefe Centre, it still functions as a performance centre for the arts. The approximate total GFA is 210,000 sf. The building height varies from a single storey structure to a 2-storey. The existing space in the lobby of the Sony Centre on Front Street needs to be converted to an activation space for Meridian, our new naming rights partner and a restaurant to be operated by TO Live.

3.0 SCOPE OF WORK

3.1 General Requirements

The concept of the space should feature the bar as a showpiece. The interior design should feature

modern décor with timeless finishes of wood and brass in keeping with the heritage of the Sony Centre and its designation only the Ontario Heritage Act. The design inspiration should come from the Nomad Bar in NYC and the Ivy in London. Please see Appendix G for examples of inspiration for the space however TO Live welcomes the successful proponent to bring forward ideas and inspiration from anywhere.

Activation Space: This space should be approximately 170 SF in area. It should be a small and welcoming lounge/kiosk accessible from the main audience entrance vestibule, which provides the opportunity for the building's new naming partner, Meridian to interface with the public. The exact program of the space is still to be determined, but it will require a distinct footprint, including an ATM or interactive teller machine, with interior finishing that is in line with the heritage-qualities of the building as well as the branch concepts of Meridian. Additional features that may be required include a local heating solution to warm the space when lobby doors are open and a separate and discrete security partition for the rare occasions when the space may need to close.

TO Live reserves the right to exclude the Activation Space from the final scope of the work.

TO LIVE reserves the right to interview up to a maximum of five (5) top ranked Proponents. The Selection Committee may interview any Proponent(s) without interviewing others, and TO LIVE will be under no obligation to advise those not receiving an invitation until completion of the evaluation and selection process.

No Proponent will be entitled to be present during, or otherwise receive any information regarding, any interview with any other Proponent.

Refusal of a Proponent to participate in an interview/demonstration requested by TO LIVE may, in TO LIVE's sole discretion, be considered a failure of the Proponent to comply with a mandatory requirement of the RFP and thus subject to disqualification.

4.8 Negotiations and Agreement

The award of any Agreement will be at the absolute discretion of TO LIVE. The selection of a recommended Proponent will not oblige TO LIVE to negotiate or execute an Agreement with that recommended Proponent.

Any award of an Agreement resulting from this RFP will be in accordance with the bylaws, policies and procedures of TO LIVE.

TO LIVE shall have the right to negotiate on such matter(s) as it chooses with the recommended Proponent without obligation to communicate, negotiate, or review similar modifications with other Proponents. TO LIVE shall incur no liability to any other Proponent as a result of such negotiation or alternative arrangements.

During negotiations, the scope of the services may be refined, issues may be prioritized, responsibilities among the Proponent, all staff and sub-consultants provided by it and TO LIVE may be settled and the issues concerning implementation may be clarified.

Any Agreement must contain terms and conditions in the interests of TO LIVE and be in a form satisfactory to the City Solicitor. If the Agreement requires TO LIVE Board approval, then the final Agreement must contain terms and conditions substantially as set out in the Board report authorizing the Agreement. Any Agreement will incorporate as schedules or appendices such part of the RFP (including addenda) and the Proposal submitted in response thereto as are relevant to the provision of the goods and/or services.

The terms and conditions set out in Appendix 'B' shall be incorporated in any Agreement entered into with the recommended Proponent. These terms and conditions are mandatory and are not negotiable. Any Proponent wishing to request that TO LIVE consider any changes to the terms and conditions set out in Appendix "B" must follow the process outlined in section 5 of Appendix "A".

If any Agreement cannot be negotiated within thirty (30) business days of notification to the recommended Proponent, TO LIVE may, at its sole discretion, terminate negotiations with that Proponent and negotiate an Agreement with another Proponent or abort the RFP process and not enter into any Agreement with any of the Proponents.

5.0 PROPOSAL SUBMISSION REQUIREMENTS

5.1 General Overview

TO LIVE has formulated the procedures set out in this RFP to ensure that it receives Proposals through an open, competitive process, and that Proponents receive fair and equitable treatment in the solicitation, receipt and evaluation of their Proposals. TO LIVE may reject the Proposal of any Proponent who fails to comply with any such procedures.

Proposals are expected to address the RFP content requirements as outlined herein, and should be well ordered, detailed and comprehensive. Clarity of language, adherence to suggested structuring, and adequate accessible documentation is essential to TO LIVE's ability to conduct a thorough evaluation. TO LIVE is interested in Proposals that demonstrate efficiency and value for money. General marketing and promotional material will not be reviewed or considered.

TO LIVE prefers that the assumptions used by a Proponent in preparing its Proposal are kept at a minimum and to the extent possible, that Proponents will ask for clarification prior to the deadline for Proponent questions rather than make assumptions. Proponents should also review sections 3 to 6 of Appendix A with respect to asking questions about the RFP. Where a Proponent's assumptions are inconsistent with information provided in the RFP, or so extensive that the total Proposal cost is qualified, such Proponent risks disqualification by TO LIVE in TO LIVE's sole discretion.

The Proponent must complete and submit the Price Detail Table (Form 5) located in Appendix D – Supplementary Submission Forms.

The total price quoted must include all labour, profit, other overhead, materials, equipment, licences, analysis, travel, accommodations, communication, transportation and delivery costs (courier, long distance charges, and so on), staff time, TO LIVE/vendor meetings (as and where deemed required by TO LIVE), disbursements and any/all other operational costs and fees associated with the Services, excluding all applicable taxes. TO LIVE shall not be responsible for any additional costs.

B. Taxes

Harmonized Sale Tax (HST) is to be applied to the prices submitted as specified in the relevant sections of the call document.

HST for the supply and delivery of materials/goods is to be shown as additional/separate line items on the Price Schedule and any subsequent invoices.

C. Payment Terms and Discount Schedule

1. Propose payment terms for Core Pricing. TO LIVE's standard payment terms are thirty (30) days from the receipt of the approved invoice. The final payment terms may be subject to further negotiation.
2. Propose any prompt payment discount terms.

If all the correct billing information has been indicated on the invoice, and no acceptable discount for early payment has been offered, TO LIVE will endeavour to pay within the Vendor's terms from the receipt date of the approved invoice by TO LIVE.

Payment terms should be clearly indicated on the invoice including early payment terms.

TO LIVE will consider offers of early payment discount terms. Discounts will only be taken when early payment discount terms are met from the receipt date of the approved invoice in the Accounts Payable unit.

Note: Discount terms for early payment cannot be earlier than fifteen (15) days from the receipt date of the approved invoice by TO LIVE.

D. TO LIVE - Invoice and billing requirements

To assist in prompt payment, it is essential that all required billing information is provided on the invoice submitted to TO LIVE. Any missing billing information on an invoice will result in a payment delay and the invoice may be returned to you without payment.

1. All original Vendor invoices must be addressed and sent DIRECTLY to:

2. Invoice(s) submitted to TO LIVE must have complete shipping information including:

- b) to acquire a clear and comprehensive knowledge of the required services before submitting a Proposal;
- c) to become familiar, and (if it becomes a successful Proponent) comply, with all of TO LIVE's Policies.

The failure of any Proponent to receive or examine any document, form, addendum, Agreement or policy shall not relieve the Proponent of any obligation with respect to its Proposal or any Agreement entered into or Purchase Order issued based on the Proponent's Proposal.

2. Prime Proponent

A Proposal by a consortium of two (2) or more entities may be submitted, but one (1) person or company must be shown as the prime Proponent and be prepared to represent the consortium to TO LIVE by executing the Agreement, acting as the primary contact, and taking overall responsibility for performance of the Agreement.

Where a Proposal is made by a prime Proponent with associate firms working with or under the prime Proponent in either a sub-contracting or consortium relationship, it is required that those associate firms be named in the Proposal.

3. TO LIVE Contacts and Questions

All contact and questions concerning this RFP should be directed in writing to the TO LIVE employee(s) designated as "TO LIVE Contact" in the **Notice to Potential Proponents**.

No TO LIVE representative, whether an official, agent or employee, other than those identified as "TO LIVE Contacts" are authorized to speak for TO LIVE with respect to this RFP, and any Proponent who uses any information, clarification or interpretation from any other representative does so entirely at the Proponent's own risk. Not only shall TO LIVE not be bound by any representation made by an unauthorized person, but any attempt by a Proponent to bypass the RFP process may be grounds for rejection of its Proposal.

From and after the date of this RFP until the time of any ensuing contract award, no communication with respect to this matter shall be made by any potential Proponent, or its representatives, including a third-party representative employed or retained by it (or any unpaid representatives acting on behalf of either), to promote its Proposal or oppose any competing Proposal, nor shall any potential Proponent, or its representatives, including a third party representative employed or retained by it (or any unpaid representatives acting on behalf of either), discuss the RFP or its Proposal with any TO LIVE staff, TO LIVE officials or Board members, other than a communication with the "TO LIVE Contact" identified on page 1 on this RFP.

Proponents should be aware that communications in relation to this RFP outside of those permitted by the applicable procurement policies and this RFP document contravene the City of Toronto Lobbying By-law, an offence for which a person is liable to a maximum fine of \$25,000.00 on a first conviction and \$100,000.00 on each subsequent conviction. In addition, TO LIVE's Procurement Processes provides that any Proponent found in breach of the policy may be subject to disqualification from the call or a future call or calls at the discretion of TO LIVE.

Notwithstanding anything to the contrary as set out in this document, the obligations as set out in the City of Toronto Municipal Code, Chapter 140 shall apply.

4. Addenda

If TO LIVE, for any reason, determines that it is necessary to revise any part of this RFP or to provide additional information relating to this RFP, such information will be communicated to all Proponents by addenda. Each addendum shall form an integral part of this RFP. Such addenda may contain important information, including significant changes to this RFP. Proponents are responsible for obtaining all addenda issued by TO LIVE.

All Proponents must acknowledge receipt of all Addenda in the space provided on the Proposal Submission Form in Appendix C.

TO LIVE reserves the right to revise this RFP up to the Closing Deadline.

If any addendum is issued after the Deadline for Issuing Addenda, TO LIVE may at its discretion extend the Closing Deadline for a reasonable amount of time.

TO LIVE will make reasonable efforts to issue the final Addendum (if any) no later than two (2) days prior to the Closing Deadline.

5. Exceptions to Mandatory Requirements, Terms and Conditions

If a Proponent wishes to suggest a change to any mandatory requirement, term or condition set forth in any part of this RFP, it should notify TO LIVE in writing not later than the deadline for questions. The Proponent must clearly identify any such requirement, term or condition, the proposed change and the reason for it. If TO LIVE wishes to accept the proposed change, TO LIVE will issue an Addendum as described in the article above titled **Addenda**. The decision of TO LIVE shall be final and binding, from which there is no appeal. Changes to mandatory requirements, terms and conditions that have not been accepted by TO LIVE by the issuance of an Addendum are not permitted and any Proposal that takes exception to or does not comply with the mandatory requirements, terms and conditions of this RFP will be rejected.

6. Omissions, Discrepancies and Interpretations

A Proponent who finds omissions, discrepancies, ambiguities or conflicts in any of the RFP documentation or who is in doubt as to the meaning of any part of the RFP should notify TO LIVE in writing not later than the deadline for questions. If TO LIVE considers that a correction, explanation or interpretation is necessary or desirable, TO LIVE will issue an Addendum as described in the article above titled **Addenda**. The decision and interpretation of TO LIVE shall be final and binding, from which there is no appeal. No oral explanation or interpretation shall modify any of the requirements or provisions of the RFP documents.

7. Proponents Shall Bear Their Own Costs

Every Proponent shall bear all costs associated with or incurred by the Proponent in the preparation and presentation of its Proposal including, if applicable, costs incurred for interviews, demonstrations, or any other activity that may be requested as part of the evaluation process or the process for the negotiation or execution of an Agreement with TO LIVE, as the case may be.

8. Limitation of Liability

TO LIVE shall not be liable for any costs, expenses, loss or damage incurred, sustained or suffered by any Proponent prior, or subsequent to, or by reason of the acceptance or the non-acceptance by TO LIVE of any Proposal, or by reason of any delay in acceptance of a Proposal, except as provided in this RFP.

9. Post-Submission Adjustments and Withdrawal of Proposals

No unilateral adjustments by Proponents to submitted Proposals will be permitted.

At any time throughout the RFP process, a Proponent may withdraw a submitted Proposal prior to the Closing Deadline. To effect a withdrawal, a notice of withdrawal must be sent to TO LIVE Contact and must be signed by an authorized representative of the Proponent. TO LIVE is under no obligation to return withdrawn Proposals.

A Proponent who has withdrawn a Proposal may submit a new Proposal, but only in accordance with the terms of this RFP.

10. Binding Proposal

After the Closing Deadline each submitted Proposal shall be irrevocable and binding on Proponents for a period of one hundred and twenty (120) days.

11. Acceptance of Proposals

TO LIVE shall not be obliged to accept any Proposal in response to this RFP.

TO LIVE may, without incurring any liability or cost to any Proponent:

- a) accept or reject any or all Proposal(s) at any time;
- b) waive immaterial defects and minor irregularities in any Proposals;
- c) modify and/or cancel this RFP prior to accepting any Proposal;
- d) award a contract in whole or in part.

TO LIVE is relying on the experience and expertise of the Proponent. TO LIVE reserves the right to disqualify any Proponent who has given inaccurate, incomplete, false or misleading information in the sole opinion of TO LIVE. Proponents and their Affiliated Persons that are currently on a City of Toronto suspended vendor list are not eligible for an award.

12. Verify, Clarify and Supplement

When evaluating proposals, TO LIVE may request further information from the Proponent or third parties in order to verify, clarify or supplement the information provided in the Proponent's Proposal. TO LIVE may revisit and re-evaluate the Proponent's Proposal or ranking on the basis of any such information.

If TO LIVE makes a request to a Proponent for clarification of its Proposal, the Proponent will provide a written response accordingly, which shall then form part of the Proposal.

If, in the opinion of TO LIVE, any Proponent has clearly misinterpreted the services or underestimated the hours or value of the services to be performed as reflected in its Proposal

content and submitted price/fees, or all or any or any combination of them, then TO LIVE may reject its Proposal as not representative of the scope of the services.

13. No Incorporation by Reference

The entire content of the Proponent's Proposal should be submitted in a fixed form and the content of websites or other external documents referred to in the Proponent's Proposal will not be considered to form part of its Proposal.

14. Unbalanced Bids (In this paragraph "Bid" refers to the Proposal)

TO LIVE may reject a bid if it determines, in its sole discretion, that the bid is materially imbalanced.

A bid is materially imbalanced when:

- a) it is based on prices which are significantly less than cost for some items of work and prices which are significantly overstated in relation to cost for other items of work; and
- b) TO LIVE had determined that the proposal may not result in the lowest overall cost to TO LIVE even though it may be the lowest submitted bid; or
- c) it is so unbalanced as to be tantamount to allowing an advance payment.

15. Ownership and Confidentiality of TO LIVE-Provided Data

All correspondence, documentation and information provided by TO LIVE staff to any Proponent or prospective Proponent in connection with, or arising out of this RFP, the Services or the acceptance of any Proposal:

- a) is and shall remain the property of TO LIVE;
- b) must be treated by Proponents and prospective Proponents as confidential;
- c) must not be used for any purpose other than for replying to this RFP, and for fulfillment of any related subsequent Agreement.

16. Ownership and Disclosure of Proposal Documentation

- a) The documentation comprising any Proposal submitted in response to this RFP, along with all correspondence, documentation and information provided to TO LIVE by any Proponent in connection with, or arising out of this RFP, once received by TO LIVE:
 - i. shall become the property of TO LIVE and may be appended to the Agreement and/or Purchase Order with the successful Proponent;
 - ii. shall become subject to the *Municipal Freedom of Information and Protection of Privacy Act* ("MFIPPA"), and may be released, pursuant to that Act.
- b) Because of MFIPPA, Proponents should identify in their Proposal material any scientific, technical, commercial, proprietary or similar confidential information, the disclosure of which could cause them injury.
- c) Each Proponent's name at a minimum shall be made public.
- d) Proposals will be made available to members of the Board provided that their requests have been made in accordance with TO LIVE's procedure and may be released to members of the public pursuant to MFIPPA.
- e) TO LIVE will not return the Proposal or any accompanying documentation submitted by a Proponent.

17. Intellectual Property Rights

Each Proponent warrants that the information contained in its Proposal does not infringe any intellectual property right of any third party and agrees to indemnify and save harmless TO LIVE, its staff and its consultants, if any, against all claims, actions, suits and proceedings, including all costs incurred by TO LIVE brought by any person in respect of the infringement or alleged infringement of any patent, copyright, trademark, or other intellectual property right in connection with their Proposal.

18. Failure or Default of Proponent

If the Proponent, for any reason, fails or defaults in respect of any matter or thing which is an obligation of the Proponent under the terms of the RFP, TO LIVE may disqualify the Proponent from the RFP and/or from competing for future tenders or RFP issued by TO LIVE for a period of one (1) year. In addition, TO LIVE may at its option either:

- a) Consider that the Proponent has withdrawn any offer made, or abandoned the Agreement if the offer has been accepted, whereupon the acceptance, if any, of TO LIVE shall be null and void; or
- b) Consider that the Proponent has abandoned any Agreement and require the Proponent to pay TO LIVE the difference between its Proposal and any other Proposal which TO LIVE accepts, if the latter is for a greater amount and, in addition, to pay TO LIVE any cost which TO LIVE may incur by reason of the Proponent's failure or default, and further the Proponent will indemnify and save harmless TO LIVE, its officers, employees and agents from all loss, damage, liability, cost, charge and expense whatever which it, they or any of them may suffer, incur or be put to by reason of such default or failure of the Proponent. The Proponent shall be ineligible to submit a new Proposal or bid for any call that TO LIVE is required to reissue as a result of the Proponent's failure or default or where TO LIVE deems that the Proponent has abandoned the Agreement.

19. Publicity

The Proponent and its affiliates, associates, third-party service providers, and subcontractors shall not release for publication any information in connection with this RFP or any Agreement without prior written permission of TO LIVE.

20. Selection of Top-Ranked Proponent(s)

The top-ranked Proponent(s), as established under the evaluation that are selected by TO LIVE to enter into an agreement pending award will be so notified by TO LIVE in writing.

21. Notification to Other Proponents

Once the recommended Proponent(s) is notified of their selection, the other Proponents will be notified by TO LIVE in writing of the outcome of the RFP process.

22. Debriefing

Proponents may request a debriefing after receipt of a notification of the outcome of the selection process. All requests must be in writing to the TO LIVE Contact and must be made within sixty (60) days of notification of the outcome of the selection process. The intent of the debriefing information session is to aid the Proponent in presenting a better proposal in subsequent procurement opportunities. Any debriefing provided is not for the purpose of providing an opportunity to challenge the RFP process.

23. No Contract until Execution of Written Agreement

No legal relationship or obligation regarding the procurement of any goods or services shall be created between the Proponent and TO LIVE by the RFP process until the selection of the Proponent to provide the deliverables pursuant to an Agreement.

24. Cancellation

TO LIVE may cancel or amend the RFP process without liability at any time.

25. Bid Protest Procedure

- a) Pre-Award Bid Disputes - Any pre-award dispute must be received in writing by TO LIVE as soon as possible from the time when the basis for the dispute became known to them, and in cases where a Proponent has been declared non-compliant, no later than five (5) business days after the receipt of such notification.

TO LIVE may delay an award, or any interim stage of a procurement, pending the acknowledgement and resolution of any pre-award dispute.

TO LIVE, in consultation with the City Solicitor where appropriate, shall conduct a review of the pre-award dispute and determine whether:

- i. To dismiss the pre-award dispute;
 - ii. To accept the pre-award dispute and take the appropriate remedial action, including, but not limited to, reinstating the bidder or proponent into the competition or cancelling the call; or
 - iii. To have TO LIVE Board decide on the award.
- b) Post-Award Bid Disputes - Post-Award Disputes shall be dealt with by the President and CEO of TO LIVE, in consultation with the City Solicitor.

26. Supplier Code of Conduct

- a) Honesty and Good Faith - Proponents must respond to TO LIVE's RFP in an honest, fair and comprehensive manner that accurately reflects their capacity to satisfy the requirements stipulated in the RFP. Proponents shall submit a Proposal only if they know they can satisfactorily perform all obligations of the contract in good faith. Proponents shall alert TO LIVE to any factual errors, omissions and ambiguities that they discover in the RFP as early as possible in the process to avoid the RFP being cancelled.
- b) Confidentiality and Disclosure - Proponents must maintain confidentiality of any confidential TO LIVE information disclosed to the Proponent as part of the RFP.
- c) Conflicts of Interest and Unfair Advantage - Proponents must declare and fully disclose any actual or potential conflict of interest or unfair advantage related to the preparation of their bid or where the Proponent foresees an actual or potential conflict of interest in the performance of the contract.
- d) Collusion or Unethical Bidding Practices - No Proponent may discuss or communicate, directly or indirectly, with any other Proponent or their Affiliated Persons about the preparation of their bid including, but not limited to, any connection, comparison of figures or arrangements with, or knowledge of any other supplier making a submission for the same work. Proponents shall disclose to TO LIVE any affiliations or other relationships with other Proponents that might be seen to compromise the principle of fair competition, including any proposed subcontracting relationships.

- e) **Illegality** - A Proponent shall disclose to the Buyer any previous convictions of itself or its Affiliated Persons for collusion, bid-rigging, price-fixing, bribery, fraud or other similar behaviours or practices prohibited under the Criminal Code, the Competition Act or other applicable law, for which they have not received a pardon.
- f) **Interference Prohibited** - No Proponent may threaten, intimidate, harass, or otherwise interfere with any TO LIVE employee or Board Member in relation to their procurement duties. No Proponent may likewise threaten, intimidate, harass, or otherwise interfere with an attempt by any other prospective Proponent to bid for a TO LIVE contract or to perform any contract awarded by TO LIVE.
- g) **Gifts of Favours Prohibited** - No Proponent shall offer gifts, favours or inducements of any kind to TO LIVE employees or Board Members, or otherwise attempt to influence or interfere with their duties in relation to the RFP or management of a contract.
- h) **Misrepresentations Prohibited** - Proponents are prohibited from misrepresenting their relevant experience and qualifications in relation to the RFP and acknowledge that TO LIVE's process of evaluation may include information provided by the Proponent's references as well as records of past performance on previous contracts with TO LIVE or other public bodies.
- i) **Prohibited Communications** - No Proponent, or Affiliated Person, may discuss or communicate either verbally, or in writing, with any TO LIVE employee, Board Member, or the media in relation to any solicitation between the time of the issuance of the RFP to the award and execution of final form of contract, unless such communication is with TO LIVE and is in compliance with Chapter 140, Lobbying of the Municipal Code.
- j) **Failure to Honour Bid** - Proponents shall honour their bid, except where they are permitted to withdraw their bid in accordance with the process described in the RFP. Proponents shall not refuse to enter into a contract or refuse to fully perform the contract once their bid has been accepted by TO LIVE.
- k) **Proponent Performance** - Proponents shall fully perform their contracts with TO LIVE and follow any reasonable direction from TO LIVE to cure any default. Proponents shall maintain a satisfactory performance rating on their contracts with TO LIVE and other public bodies to be qualified to be awarded similar contracts.
- l) **Disqualification for Non-Compliance with Supplier Code of Conduct** - Proponents shall be required to certify compliance with the Supplier Code of Conduct in the RFP Submission Form 1 (Appendix C), with their bid and verify compliance, upon request from the Buyer, prior to award. Any contravention of the Supplier Code of Conduct by a Proponent, including any failure to disclose potential conflicts of interest or unfair advantages, may be grounds for TO LIVE to disqualify a Proponent from the RFP and suspend the Proponent from future procurements.

1. Compliance with Laws

The Vendor will be required to comply, at its sole expense, with all federal, provincial and municipal laws, rules and regulations (including, without limitation, the City's Fair Wage and other policies or by-laws applicable to TO LIVE's vendors, the Ontario Fire Code, the Ontario Employment Standards Act, the Ontario Human Rights Code, the Ontario Labour Relations Act, the Workplace Safety and Insurance Act, the Income Tax Act and Occupational Health and Safety requirements) in relation to the provision of any Services, including the obtaining of all necessary permits and licences, and shall submit proof of such compliance to TO LIVE, upon request, and the Vendor shall indemnify and save TO LIVE harmless from any liability or cost suffered by it as a result of the vendor's failure to comply with this provision.

2. Non-Exclusivity

The awarding of an Agreement to a Vendor shall not be a guarantee of exclusivity.

3. Confidentiality

The Vendor shall treat as confidential all information of any kind which comes to the attention of the Vendor in the course of carrying out the Services and shall not disseminate such information for any reason without the express written permission of TO LIVE or otherwise in accordance with MFIPPA or other applicable privacy law. The Vendor may be required to enter into a detailed confidentiality and conflict of interest agreement in a form satisfactory to TO LIVE and the City Solicitor.

4. Conflict of Interest

The Vendor shall: (a) avoid any Conflict of Interest in the performance of its contractual obligations; (b) disclose to TO LIVE without delay any actual or potential Conflict of Interest that arises during the performance of its contractual obligations; and (c) comply with any requirements prescribed by TO LIVE to resolve any Conflict of Interest.

In addition to all other contractual rights or rights available at law or in equity, TO LIVE may immediately terminate the Agreement upon giving notice to the Vendor where: (a) the Vendor fails to disclose an actual or potential Conflict of Interest; (b) the Vendor fails to comply with any requirements prescribed by TO LIVE to resolve or manage a Conflict of Interest; or (c) the Vendor's Conflict of Interest cannot be resolved to TO LIVE's reasonable satisfaction.

5. Indemnities

The Vendor shall indemnify and save harmless TO LIVE staff, its Board Members, the City of Toronto, its Mayor, Members of Council, officers, employees, and agents from and against any losses, liens, charges, claims, demands, suits, proceedings, recoveries and judgments (including legal fees and costs) arising from or related to the Vendor's performance or non-performance of its obligations, including payment obligations to its approved subcontractors and suppliers and others, and including breach of any confidentiality obligations under this Agreement.

Upon assuming the defence of any action covered under this section, the Vendor shall keep TO LIVE reasonably informed of the status of the matter, and the Vendor shall make no admission of liability or fault on TO LIVE's part without TO LIVE's written permission.

6. Intellectual Property Indemnity

The Vendor shall indemnify and save harmless TO LIVE staff, its Board Members, the City of Toronto, its Mayor, Members of Council, officers, employees, and agents from and against any losses, liens, charges, claims, demands, suits, proceedings, recoveries and judgments (including legal fees and costs) arising from infringement, actual or alleged, by the Proposal, its use or misuse, or by any of the deliverables developed or provided or supplied under or used in connection with the Services (including the provision of the Services themselves), of any Canadian, American or other copyright, moral right, trade-mark, patent, trade secret or other thing with respect to which a right in the nature of intellectual/industrial property exists.

7. Employment & WSIB Indemnity

Nothing under this Agreement shall render TO LIVE responsible for any employment, benefit or termination liability (including those under or in connection with the Workplace Safety and Insurance Act, 1997 or any successor legislation ("WSIA")), whether statutorily required, at common law or otherwise, resulting from Services supplied under this Agreement by persons employed or otherwise engaged by the Vendor. In the event that employment related costs, or other related responsibility falls to TO LIVE for any reason whatsoever, the Vendor agrees to indemnify TO LIVE for such costs.

8. No Assignment

The Vendor shall not assign any part of the project that may be awarded to it under the Agreement without the prior written consent of TO LIVE, which consent shall not be unreasonably withheld. However, such written consent shall not under any circumstances relieve the Vendor of its liabilities and obligations under this RFP and the Agreement.

9. Subcontractors

The Vendor shall be solely responsible for the payment of every subcontractor employed, engaged, or retained by it for the purpose of assisting it in the performance of its obligations under the Agreement. The Vendor shall coordinate the services of its subcontractors in a manner acceptable to TO LIVE, and ensure that they comply with all the relevant requirements of the Agreement.

The Vendor shall be liable to TO LIVE for all costs or damages arising from acts, omissions, negligence or wilful misconduct of its subcontractors.

10. Personnel and Performance

The Vendor shall make available appropriately skilled workers, consultants or subcontractors, as appropriate, and must be able to provide the necessary materials, tools, machinery and supplies to carry out the project.

The Vendor shall be responsible for its own staff resources and for the staff resources of any subcontractors and third-party service providers.

The Vendor shall ensure that its personnel (including those of approved sub-contractors), when using any TO LIVE buildings, premises, equipment, hardware or software shall comply with all security policies, regulations or directives relating to those buildings, premises, equipment, hardware or software.

Personnel assigned by the Vendor to perform or produce the Services or any part of it, (including those of approved subcontractors) may, in the sole discretion of TO LIVE, be required to sign non-disclosure Agreement(s) satisfactory to TO LIVE before being permitted to perform such services.

11. Independent Contractor

The Vendor and TO LIVE agree and acknowledge that the relationship between TO LIVE and the Vendor is one of owner and independent contractor and not one of employer-employee. Neither is there any intention to create a partnership, joint venture or joint enterprise between the Vendor and TO LIVE.

12. Insurance

The Vendor agrees to purchase and maintain in force, at its own expense and for the duration of the Services, the following policies of insurance, which policies shall be in a form and with an insurer acceptable to TO LIVE. A certificate evidencing these policies signed by the insurer or an authorized agent of the insurer must be delivered to TO LIVE prior to the commencement of Services:

- a) Commercial General Liability provided that the policy:
 - i. is in the amount of not less than Two Million Dollars (\$2,000,000.00), per occurrence;
 - ii. adds TO LIVE as an additional insured;
 - iii. includes Non-Owned Automobile Liability, Employer's Liability and/or Contingent Employer's Liability, and any other provision relevant to the Services;
 - iv. includes a clause which will provide TO LIVE with thirty (30) days' prior written notice of cancellation (15 days if cancellation is due to non-payment of premium).

- b) Professional Liability (errors and omissions) coverage provided that the policy:
 - i. is in the amount of not less than One Million Dollars (\$1,000,000.00);
 - ii. will extend to infringement of copyright and other intellectual property, including misuse of trade secrets, if appropriate.

Notwithstanding anything to the contrary contained in this Agreement, kept in full force and effect for a period of time ending no sooner than two (2) years after the termination or expiry of this Agreement, as the case may be.

- c) Automobile Liability insurance with a minimum limit of One Million Dollars (\$1,000,000.00) for all owned or leased licensed motorized vehicles used in the performance of Services.

It is understood and agreed that the coverage and limits of liability noted above are not to be construed as the limit of liability of the Vendor in the performance of the Services. It is also agreed that the above insurance policies may be subject to reasonable deductible amounts, which deductible amounts shall be borne by the Vendor. At the expiry of the policies of insurance, original signed Certificates evidencing renewal will be provided to TO LIVE without notice or demand.

The Vendor is responsible for any loss or damage whatsoever to any of its materials, goods, equipment or supplies and will maintain appropriate all-risk coverage as any prudent owner of such materials, goods, supplies and equipment. The Vendor shall have no claim against TO LIVE or TO LIVE insurers for any damage or loss to its property and shall require its property insurers to waive any right of subrogation against TO LIVE.

13. Warranties and Covenants

The Vendor represents, warrants and covenants to TO LIVE (and acknowledges that TO LIVE is relying thereon) that any deliverable resulting from or to be supplied or developed under the Agreement will be in accordance with TO LIVE's functional and technical requirements (as set out in the RFP) and, if applicable, will function or otherwise perform in accordance with such requirements.

14. Third Party Software

Where TO LIVE is in possession of software containing or constituting confidential proprietary information belonging to third parties, the Vendor shall not, except in the usual incidental manner genuinely necessary for the intended use of such software on the equipment of TO LIVE,

- a) analyze, copy, decompile, disassemble, translate, convert, reverse engineer or duplicate any physical embodiment or part thereof, or permit any person to do so; or
