Re: Sign Variance Appeal-222 Dixon Rd.

Dear Nathan Jankowski:

We write to you in connection with the above Appeal application in regard to 222 Dixon Rd. We will not be able to attend the meeting on Wednesday May 29, 2019 due to work commitments. However we would like to express our concerns.

We are the Property Owners located across the road from the building where the oversized sign is to be installed.

We strongly object to the size of the sign.

>We are very concerned that the oversized sign will have negative impacts and negative visual effect on our neighbourhood.

>The sign will also cause negative disturbance during the night with the additional lights needed to display the oversized sign.

Hoping that this letter will allow us to express our strong opposition to the proposed sign as we cannot attend the meeting.

Sincerely,

*Gerarda Monteleone*
