

School Bus Loading Zone - 1965 Brimley Road

Date: January 28, 2019
To: Scarborough Community Council
From: Acting Director, Transportation Services, Scarborough District
Wards: Ward 23 – Scarborough North

SUMMARY

This report recommends removing the existing school bus loading zone on the east side of Brimley Road, fronting C.D. Farquharson Junior Public School. The school no longer requires the school bus loading zone. Toronto Transit Commission (TTC) will be installing a new bus stop in the area of the existing school bus loading zone.

RECOMMENDATIONS

The Acting Director, Traffic Management, Transportation Services recommends that:

1. City Council rescind the existing school bus loading zone in effect from 8:00 a.m. to 5:00 p.m., on the east side of Brimley Road, between a point 167 metres north of Pitfield Road and a point 21 metres further north.

FINANCIAL IMPACT

There is no financial impact associated with this report since the signs have been removed.

DECISION HISTORY

This report addresses a new initiative.

COMMENTS

TTC will be installing a new bus stop (bus shelter and platform) in the area of the existing school bus loading zone located on the east side of Brimley Road, fronting C.D. Farquharson Junior Public School. The school no longer requires the school bus loading zone.

Existing Conditions

The following characteristics describe this area of Brimley Road:

- Brimley Road is a four lane major arterial road.
- The existing school bus loading zone, fronting C.D. Farquharson Junior Public School is located on the east side of Brimley Road between Pitfield Road and Sheppard Avenue East.
- Sidewalks are located on both sides of Brimley Road.
- TTC operates revenue bus service on Brimley Road.
- The land use in the surrounding area consists of single family residential dwellings, commercial businesses, and a school.

The proposed removal of the school bus loading zone on the east side of Brimley Road, fronting C.D. Farquharson Junior Public School will not impact the school and will allow TTC to upgrade their Route 21 bus service.
