Date: December 11, 2018
To: Chair, Mayor John Tory and Striking Committee Members
Re: Economic and Community Development Committee

Dear Striking Committee,

I am very pleased to put my name forward for the appointment to serve on the Economic and Community Development Committee.

With a focus of ensuring the City of Toronto as a whole prospers every community must be given the supports it requires to become part of the economic engine that moves the City forward to become the best in the world. I feel I will be able to make significant contributions in ensuring that all our communities strive to become economic hubs where employment and the community thrive.

I look forward to making a contribution to the Economic and Community Development Committee and will be able to fulfill my work and attend meetings.

I look forward to your support.

Sincerely,
