## ST1.1- Council Member Appointments to Committees, Boards and External Bodies

Date: December 11, 2018  
To: Chair, Mayor John Tory and Striking Committee Members  
Re: Special Committee on Governance

Dear Striking Committee,

I am very pleased to put my name forward for the appointment to serve on the newly formed Special Committee on Governance to advance a work plan as we move forward into the new term of Council.

I feel that I will be able to purposefully contribute as a committee members on the impacts on the governance structure and processes that have arisen due to the reduction of Council. My experience as Chair of Government Management that lead the file on governance provides me with the tools required to make recommendations for further changes to the City's governance structure.

I look forward to making a contribution to the Special Committee on Governance and will be able to fulfill my work and attend meetings.

I look forward to your support.

Sincerely,
