CONFIDENTIAL INFORMATION OR ADVICE

Call Number:

Request for Proposal No. 9121-19-7090

Recommended Proponent:

Ecosystem Energy Services Incorporated

Contract Award Value:

- Up to \$2,700,000 net of HST
- Up to \$3,051,000 including HST
- Up to \$2,747,520 net of HST recoveries

The estimated contract value is \$2,558,000 based on pricing submitted by the recommended proponent. However, the RFP and form of contract provide flexibility to adjust the scope based on mutual consent, and the pricing provided for most line items is based on percentages of the final approved construction cost. The terms of TAF's Project Management Agreement with TCH require express approval of both parties to exceed a total budget of \$2.7M net of all applicable taxes. Therefore the contract award is noted below at \$2.7M; in the event that the parties desire to increase the project budget beyond this threshold, a recommendation will be brought back to the Board of Directors.

Contract is expected to start in May 2019 and be concluded by June 2021.
