Permit Parking Expansion: Status Update

Dear Chair and Members of the Toronto and East York Community Council,

I am writing to you today in regards to the upcoming report on "Expansion of the Residential On-Street Permit Parking Program." Many of you will remember that there were public consultations regarding this topic last term. I am keen to ensure that we move forward with this report in a timely fashion as many residents are awaiting the final recommendations from Transportation Services.

Recommendations:

1. Transportation Services bring forward recommendations and implementation timelines for the "Expansion of the Residential On-Street Permit Parking Program" report to the March 19th Meeting of Toronto and East York Community Council.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
