Toronto and East York Community Council  
100 Queen St W  
Toronto ON M5H 2N2

Dear Chair and Members,

**NEW BUSINESS REQUEST: Parking Amendments, Appleton Avenue**

**SUMMARY:**

My office received a petition from Appleton Avenue residents requesting that parking be affixed to the east side of the street between December 1<sup>st</sup> and March 31<sup>st</sup>, and that alternate side parking remain as is, between April 1<sup>st</sup> and November 30<sup>th</sup>. By making this change through this motion, residents will gain an additional 7 on-street parking spaces during the winter months, which will alleviate parking pressures made challenging by snow.

**RECOMMENDATIONS:**

It is recommended that:

1. The Toronto and East York Community Council rescind the parking regulations in the attached Appendix "A".
2. The Toronto and East York Community Council enact the parking regulations in the attached Appendix "B".

Thank you for your consideration.

Sincerely,

Ana Bailão  
Deputy Mayor  
Councillor, Ward 9 – Davenport
