226 Greenwood – Encroachment Agreement

Dear Chair and Members of Community Council,

226 Greenwood is home to Maha's Restaurant, which has become an East End institution. However it has recently come to light that the prior owners of the building never entered into the necessary encroachment agreement with the City after construction. An agreement has been drafted by Transportation Services, and is ready to move forward, it only needs formal approval.

I am asking that you support my motion to approve the agreement and not cause undue delays.

Recommendations:

1. Direct Transportation Services to enter into an encroachment agreement for 226 Greenwood.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
