

March 19, 2019

Toronto and East York Community Council
Committee Room 1, City Hall
100 Queen St W
Toronto, ON M5H 2N2

Dear Chair and Members,

NEW BUSINESS REQUEST: Installation of Speed Humps on Rankin Crescent (Wallace Avenue to the east-west leg of Rankin Crescent)

SUMMARY:

In 2017, in response to a resident petition, Traffic Operations staff undertook a speed hump feasibility study on Rankin Crescent, between Wallace Avenue and the east-west leg of Rankin Crescent. Due to the fact that the installation criteria was not met, a City poll was undertaken to determine resident support for speed humps on the section of Rankin Crescent; however, the minimum response rate of (50% + 1) was not reached. Of the residents that responded, over 70% supported the idea of having speed humps installed on Rankin Crescent. Given the negative poll results, the speed humps could not be installed at the time.

Residents continue to contact my office to this day with concerns over speeding on Rankin Crescent and are asking that speed humps be installed on their street. Given the previous petition and poll results, through this motion I am asking that speed humps be installed on Rankin Crescent. In early March 2018, I sent a letter to Rankin Crescent residents informing them of my intention to proceed with having speed humps installed on their street. To date, feedback has been positive and in full support of having speed humps installed on Rankin Crescent, between Wallace Avenue and the east-west leg of Rankin Crescent.

RECOMMENDATION:

It is recommended that The Toronto and East York Community Council:

1. Waive the petition and polling requirement under the City's Traffic Calming Policy and approve the installation of traffic calming on Rankin Crescent, between Wallace Avenue and the east-west leg of Rankin Crescent.

TORONTO **DAVENPORT**
CITY COUNCILLOR

2. Direct the City Solicitor to prepare a by-law to alter the roadway to install five speed humps on Rankin Crescent, between Wallace Avenue and the east-west leg of Rankin Crescent, generally as shown on the attached Drawing No. 421G-2600, dated August 2017.

Thank you for your consideration.
