Dear Chair and Members,

NEW BUSINESS REQUEST: Northcliffe Boulevard - Eastbound Right Turn Prohibition

SUMMARY:

Residents have informed me that when people exit the Green P lot located on Northcliffe Boulevard (south of St. Clair Avenue West), they often illegally turn right and then proceed to drive south. There are two existing one-way arrow signs and a few 'no entry' signs to mark the end of the partial two way operation on Northcliffe Boulevard and the starting point of the one-way north bound operation. However, this has not been sufficient to deter illegal right hand turns.

The purpose of this motion is to make right turns illegal from the driveway at the Green P lot located at 94 Northcliffe Boulevard.

RECOMMENDATIONS:

It is recommended that the Toronto and East York Community Council

1. Prohibit eastbound right turns at all times from the driveway of No. 94 Northcliffe Boulevard located on the west side of Northcliffe Boulevard at a point 56 metres south of St. Clair Avenue West.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 - Davenport
