Villiers Street Pay and Display

Dear Chair and Members of the Toronto and East York Community Council,

Villiers Street, in the Portlands, is an important site for jobs and employment in the East End. However due to a lack of parking regulations there is an issue with long-term parking and storage of vehicles. Implementing pay-and-display on Villiers will ensure that businesses have spots and cut down on long-term parking.

I am asking you to support this request.

Recommendations:

1. Transportation Services report to the Toronto and East York Community Council meeting on October 10th, 2019 on implementing Pay and Display parking on Villiers Street between Saulter Street South and Cherry Street.

Sincerely,

Paula Fletcher
