Dear Chair and Members,

Re: Parking Amendments - Gladstone Avenue, Havelock Street, and Rusholme Park Crescent

BACKGROUND:

In July 2018, traffic control signals were approved for the intersections of College Street, at Gladstone Avenue and College Street, at Havelock Street and Rusholme Park Crescent. When these traffic control signals were approved, parking was also removed to a point of 30.5 metres on the approaches of these intersections.

Area residents have since voiced concerns over the loss of parking. The purpose of this motion therefore is to reduce the previously approved parking reductions 30.5 metres to 15 metres on most approaches in order to maximize on-street parking.

RECOMMENDATIONS:

It is recommended that Toronto and East York Community Council:

1. Prohibit parking on the east side of Gladstone Avenue between College Street and a point 15 metres north.
2. Prohibit parking on the west side of Gladstone Avenue between College Street and a point 15 metres south.
3. Prohibit parking on the west side of Havelock Street between College Street and a point 15 metres north.
4. Prohibit parking on the east side of Rusholme Park Crescent between College Street and a point 15 metres south.
5. Prohibit parking on the west side of Rusholme Park Crescent between College Street and a point 35 metres south.
6. Rescind the existing parking prohibition on the west side of Gladstone Avenue, between College Street and the first lane south, in effect from 8 a.m. to 6 p.m. daily.
7. Amend the existing maximum one hour parking regulation on the west side of Gladstone Avenue, between College Street and a point 94.2 metres south, in effect from 8 a.m. to 6 p.m. daily, to be in effect between a point 15 metres south of College Street and a point 79.2 metres further south.

8. Amend the existing parking prohibition on the east side of Rusholme Park Crescent, between College Street and a point 39 metres south, in effect each Thursday, from April 1 to November 30, inclusive, to be in effect between a point 15 metres south of College Street and a point 24 metres further south.
9. Amend the existing parking prohibition on the west side of Rusholme Park Crescent, between College Street and the south end of Rusholme Park Crescent, in effect anytime, except each Thursday, from April 1 to November 30, inclusive, to be in effect between a point 35 metres south of College Street and the south end of Rusholme Park Crescent.
10. Rescind the existing parking prohibition on the east side of Havelock Street, between College Street and Sylvan Avenue, in effect from the 1st day to the 15th day of each month, from April 1 to November 30, inclusive.

Thank you for your consideration.

Sincerely,

Ana Bailão
